

SD64 Final Resolutions Submitted to State Party

Per the March 25, 2018 SD64 DFL Convention Proposed Agenda, as adopted:

“Ballots shall be distributed to delegates and upgraded alternates at registration. Ballots can be delivered for tabulation to the ballot box at the Resolutions desk. **To be adopted, a resolution must receive at least a 60% affirmative vote of the convention. Abstentions shall be counted as part of the vote (in effect making them "no" votes). If more than 62 resolutions receive the necessary 60% vote, the resolutions that received the highest percentage vote (with any ties for last place decided by lot) will be the resolutions forwarded to the State Platform Commission.**”

The table below includes the first 62 resolutions that received greater than 60% support among 511 total ballots cast. There were an additional 14 resolutions that received greater than 60% of the votes and were not forwarded to the state committee, per the adopted SD64 convention guidelines.

Respectfully submitted,
Melanie Hazelip
Demian Moore
Co-chairs, SD64 Resolutions Committee
