13. ensures that all DFL-endorsed candidates are fully supportive of and actively promote legislation to establish 1) a multi-partisan or independent redistricting commission to conduct the drawing of voting maps after the decennial census and 2) a process for drawing maps that is guided by clear and equitable voter-focused principles. (9)
14. affirms its commitment to the First Amendment of the U.S. Constitution by supporting repeal of anti-BDS (boycott, divestment, sanction) laws, Minnesota Statutes 3.226 and 16C.053. (6)
15. supports legislation to amend the U.S. Constitution to establish that 1) only human beings are endowed with constitutional rights, and 2) money is not speech, and therefore regulating political contributions and spending is not equivalent to limiting political speech. 18. supports adding to the ongoing platform "We support the sovereignty of our tribal nations and their Citizens." (2)
19. supports the 2020 Minnesota Renters' Agenda, which would improve tenant/landlord law by reducing the number of evictions filed, reduce the length of time evictions remain on a renter's record, improve the ability of renters to get heat and repair issues resolved, and make Minnesota leases more tenant-friendly. This will ensure accurate data, congressional representation, and federal allocation of resources. (2)
